If interested, send you soccer bio to nsaguru@gmail.com

NSA's focus is on Youth Development

Since 1992, NSA has selected, trained and led over 2000 players and supporters on tour to compete in major International tournaments in Scandinavia, South America and the United States. To the credit of NSA players and coaches, after learning the NSA STYLE and the philosophy, players have consistently stepped up to the competition, as evidence by the **many championships** they have won.
