

## NSA Elite College Bound Players International Tour

Congratulations! You have committed to play in College or are very close to it. You have spent years learning, playing and experiencing a lot the Sport of Soccer offers.

NSA is providing a rare opportunity for the selected few to join other high level players to participate in the world largest International Soccer tournaments before settling down to 4 years of College studies and play.

**The NSA College Bound Player International Tour will enable participants to gain valuable experiences in meeting, sharing and performing with new teammates, experiences that will help them adjust quickly to their College career in addition to creating lifelong memories in beautiful Scandinavia.**

For EUROTOUR 2018, the 26<sup>th</sup> annual international tour, NSA will add a U18 girls team (girls born 2000 or later, Sophomores, Juniors and Seniors in high school). Only players who have committed to a college or close to committing will be selected.

**Gothia Cup - <http://www.gothiacup.se/> - The Gothia Cup brings together over 1700 teams from 75 nations and has been attended by some of the most talented and accomplished soccer icons in the world!**

**Dana Cup - <http://www.danacup.com/> - hosted by DBK Fortuna Hjørring (one of the top women's soccer club in Europe) has over 1100 teams from 45 nations.**

**This tour will provide 16 athletes lifelong memories and an unparalleled opportunity to play on the world's biggest soccer stage!**
