The NSA EuroTour mission is “to use soccer as a catalyst in bringing people together and enjoy cultural exchange experiences”. Through this process, we aim to help foster new friendships and create life long memories.

- 1. Please RELAX ...** this is more a TRAINING/Interview session than a tryout. This is the opportunity for you to find out more about NSA and for the NSA coaches to share some knowledge. You can expect players of different ages and gender training together. Since we are selecting players from many different locations, the number of players coming to each training session will vary. We will run many different “Organized Chaos” exercises. You will be in an environment where you can be yourself, play and enjoy. At the end of the session, we will have a good idea if you will benefit from our program.
- 2. NSA International Tours: This is a major commitment.** Please review the NSA website for details, especially costs so there are no surprises. We want you to have time to plan for the tour. As soon as you are invited, please make your commitment and plan ahead.
- 3. Communication:** The serious players who want more with supportive families will be invited to participate on NSA tournament teams. It is important we have accurate contact information. If for some reason you do not hear from us, please do not hesitate to contact Coach Fred [nsaguru@gmail.com](mailto:nsaguru@gmail.com) 530-400-1903
- 4. Stay with your own Club:** NSA offers programs for those who want more than what their local team offers. However, we are NOT a local club and we only hold training sessions several times a month. Before a tournament, we will have intense training sessions. Therefore, it is critical you play with a local club close to where you live , learn and stay in top shape.
- 5. NSA Training T-shirt:** please wear an NSA Training T-shirt at all training sessions (you may purchase one online and they will be delivered at the session). **Bring your Soccer Ball, Water and Dress Ready to play.**
