Professional:

- 1985-present | Technical Illustrator/Graphic Designer/Art Director
- 2001-present | Owner/Creative Director, JYL Creative LLC

Personal:

I love playing, coaching and being a fan of the beautiful game. I have found that the game teaches us many things (about ourselves and others), and is -- at the same time -- both very simple and incredibly complex. It really mirrors life. While I enjoy seeing the kids I teach grow in skill, I really enjoy seeing how the game teaches them for life beyond the pitch.
