NSA EUROTOUR 2014

Mission statement: To use Soccer as the focus to bring people together to share excellent cultural exchange experiences.

At all times: Use your common sense and STAY SAFE.

NSA travels together as a tight family. Everyone should look out for each other.

We have 44 players and close to 50 supporters from the USA.

We will have close to close to 50 non USA players join us during different weeks of the tour.

Whenever we travel, in airports, on the buses between cities etc. all players must wear their RED EUROTOUR shirt. If it is cold, players should wear their red warm up jacket also.

During transit periods, always be in groups (minimum 3 people) e.g.at airports, in amusement parks, at soccer fields etc.

The gathering place is where the Coach/Adult in charge decides. You must let the Leader know if you have to be out of sight (e.g. going to the bathroom, going to get ice cream etc.). Stay close to the main group while we are travellingUSE COMMON SENSE and BE SAFE.

Part of the NSA tour experience is to learn to be SELF SUFFICIENT. You are responsible for your own belongings so make sure you know where they are. Once you are in the class rooms, keep your stuff organized in the area around your air mattress.

Form a habit to put trash in the trash bins immediately everywhere you go. There is no chewing gum in the schools. No candy except on Saturdays.

We will have a contest to see which rooms are neater .. boys or girls ☺

It is a prudent thing for players to remove their socks and shin guards as soon as the game/training is over to let your muscles relax. It will also help the keep your soccer bag and rooms smell better. Since you will be sharing rooms with many people over the next three weeks, **it is a smart idea for some of you to bring air freshener ☺**

Bring small packets of laundry soap so you can wash your soccer clothes in the shower.

Bring US Flags, red/white and blue face paint, USA hats and other stuff you feel will add to the atmosphere of the opening ceremonies.

YOU MUST BRING A VALID PASSPORT !!!
