9. Hoodies and other clothing you wish to have the NSA logo embroidered:

We have received requests for Hoodies , jackets and other clothing with the NSA logo for supporters and players. Instead of trying to produce small quantities of all different types of garments, which is cost prohibitive, we have decided to facilitate the following:

- a. You send us the garment you wish to have embroidered before April 15 2014 (this way, you buy the correct fit and colors).
- b. We will send the garments to the Sports Shop to be embroidered. (Putting the NSA letters on the back will be optional).
- c. To save on shipping cost, we will distribute the garments when we meet on July 5 or sooner.

The cost of Embroidery and handling will be \$25- per garment. You must include a check for payment with the garment made payable to NSA.

10. **Photography services offered by ActionSnapper.net:** We have found from experience that although everyone seem to have a digital camera, it is more enjoyable to watch the events then to constantly peek through a small lens at the action. One of the travelers Roy Rodriguez (Izze's Dad) is a professional photographer and will offer his services to take great pictures of subscribers throughout the tour. If you wish to have a professional photographer pay special attention to you and your child during the tour and provide you with great digital photographs, you may order the service by emailing Roy directly rrod1295@yahoo.com.

Some of Roy's sample pictures will be posted on www.actionsnapper.net soon.
