The 23<sup>rd</sup> Annual NSA EUROTOUR was another very successful tour both on the field and off the field. Players from 8 nations played on NSA teams – USA, Sweden, Denmark, Norway, Germany, Australia, Belgium, Malta. The G13 composed of USA, Germany and Denmark players was crowned champions at the Dana Cup. It was a great cultural exchange experience through soccer for the participants.

### NSA's focus is on Youth Development

Since 1992, NSA has selected, trained and led over 2000 players and supporters on tour to compete in major International tournaments in Scandinavia, South America and the United States. To the credit of NSA players and coaches, after learning the NSA STYLE and the philosophy, players have consistently stepped up to the competition, as evidence by the **many championships** they have won. For **2016**, NSA is selecting serious players to compete in major International Tournaments and experience the time of their lives.
