

NSA TOURNAMENT TEAM PROGRAM

Age and Skill Level Appropriate development
Tournament Teams

MISSION:

To provide dedicated soccer players with an Age and Skill Level appropriate learning environment, opportunities to compete in major tournaments and be immersed in impactful cultural exchanges through International and National Soccer Travel.

- **NSA** is for players, boys and girls, ages 8-14 who wish to excel.
- NSA players do not compete in local leagues; Serious players should be playing for other clubs and utilize our services to enrich their experiences. Scrimmages will be arranged to prepare players to participate in major International and National tournaments.

National Soccer Academy will only accept a small group of players who

1. Love to play.
2. Want to learn to play at a high level.
3. Have parents who are supportive of the NSA philosophy.

We believe Age and skill level appropriate teaching is critical in developing young players. Putting unrealistic demands on young players to compete in a formal environment too often when they need to learn to connect their mind with their body to play soccer at a high level often leads to burn out rather than developing young players to their potential.

Training Format: Groups of 6 to 22, boys and girls with similar abilities.

Locations: Davis, Vacaville, Fairfield; Fremont; South Bay, Peninsula

Training days: Sundays and Mondays; scheduled several weeks in advanced and will be published on the website.

NSA was established in 1992. There are over 20000 training shirts with the NSA motto and philosophy floating around the world.

Soccer is:

“Proper execution of a Correct Decision”

**“STRIVE FOR EXCELLENCE,
ENJOY THE PROCESS,
GOOD RESULTS WILL FOLLOW”**

We teach by keeping the game simple: **“Get the Ball; Keep the ball; Score”**

Players will improve in all 4 pillars of the game – Technical, Tactical, Physical, Psychological” at NSA sessions while having fun.

Age and skill level appropriate exercises are used to create teaching moments. Focus is on making proper decisions under various game conditions and executing to accomplish desired results, individually and as a group.

NSA staff and teaching method have been very successful over the past 30 years as evidenced by the many major championships they have won and many players progressing to college and professional ranks.
